As you know, the weather in Texas can vary greatly throughout much of the year. Be sure to pack accordingly (as much as possible).

Note: Ipod, Gameboys, mp3 players, etc. are allowed at camp, but they are to remain in the cabins at all times. Camp Kiowa and Lone Oak Ranch and Retreat are not responsible for these items.

Also, cell phones are not permitted while at camp. Cell phones are not needed by the campers, and they generally distract from the community atmosphere the camp staff works hard to promote and foster.
